

Hosts - Hostesses

AVSA/AVSC 2012 Detroit Convention Needs Your Help!

More individuals than ever before are needed to host the Detroit show room! The Show will be open to the public for *two* full days, and the public will be paying an admission fee. Hosts are needed to greet our guests as they enter the room, to verify that they have paid admission, to encourage them to ask questions and to invite them to join AVSA (the cost of admission will be applied to their AVSA membership dues). This is an important job!!
