

AVSA ANNOUNCES NEW TECH TOOLS

(THIS WILL BE REPLACING THE GROWERS' FORUM)

Wednesday, May 23 8:15 p.m.

Technology Presentation by David Kesler, Technology Committee Chair

AVSA continues to offer more technical products to serve the members. This session will announce and demonstrate a new password system for the members' section of the website, the new version of First Class for PCs and its new features, FCViewer (a new mobile app), a new "in app" user data backup system for members and more. For each product, release, delivery and pricing information will be provided. Don't miss this one!
